Testimonial

“Nick Evans and Tour the Greens were superb. My recent golfing experience to the US Masters was a trip that I will never forget. Every arrangement in the US was great. From the internal flights, the accommodation, the playing of magical desert golf courses in Scottsdale, Arizona where we were joined by 2015 NZ Open winner Jordan Zunic (including TPC Scottsdale - Stadium Course) to the excitement of a major league baseball and basketball games (all from the luxury of corporate boxes!)...the enjoyment was non-stop!”

“But the highlight had to be the beauty and majesty of Augusta National Golf Course and the the privilege of being able to watch some of the world’s best golfers in action. It has to be experienced to be believed!! The history and traditions, the facilities, the customs and etiquette, the atmosphere all build to the climax of the final day. The hair raising rapturous applause that thundered across the course as 3 holes-in one occurred on the final day, contrasted to the groans that rumbled as Jordan had his watery disasters on the 12th!! My whole experience was unforgettable. The other members of our group were unanimously delighted by our whole trip and Nick could not have done more to make our stay more enjoyable.”

“I would highly recommend Nick and his Tour the Greens team for an absolutely unforgettable golfing experience.”
